

# Mukilteo Multimodal Project Construction Alert

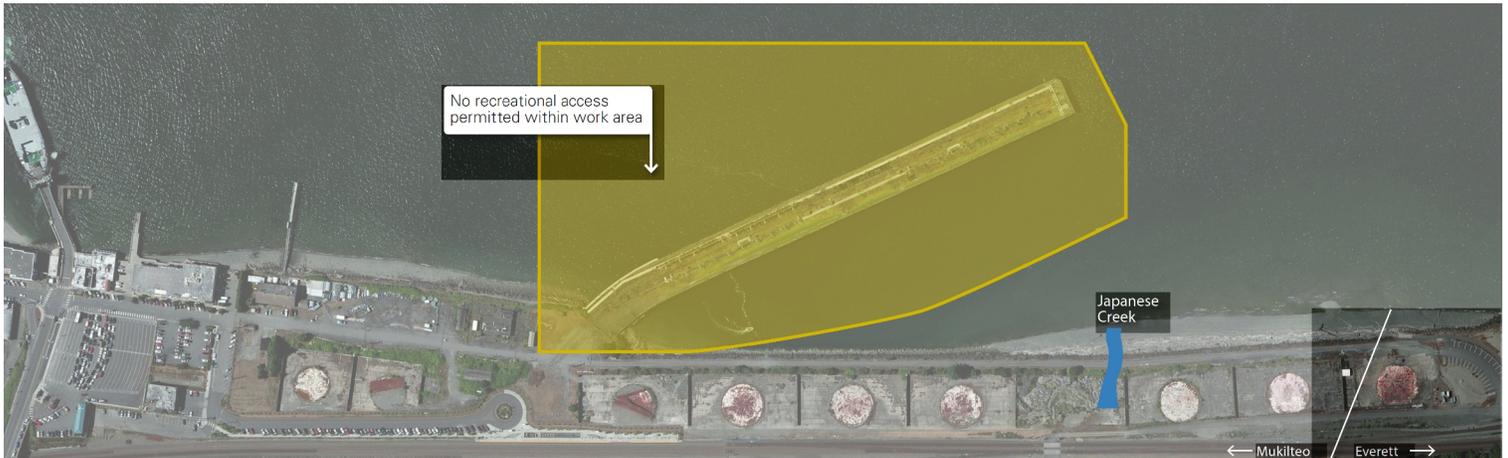

This summer, Washington State Ferries will begin removing the tank farm pier. The removal of the tank farm pier will allow construction of the new ferry terminal to begin.

## Construction phase one: Tank farm pier removal

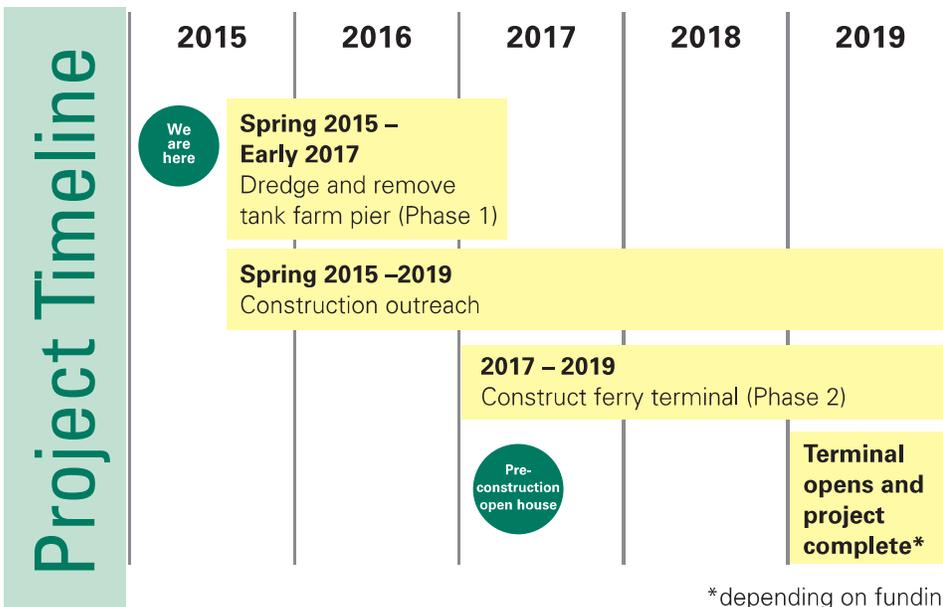

Season 1: June 2015 – February 2016  
Season 2: August 2016 – February 2017

### What to expect during construction:

- Divers and other recreational users will not be allowed to access the water in the project area.
- Increased barge traffic.
- Construction related noise on weekdays 7 a.m. to 6 p.m., Saturdays 9 a.m. to 5 p.m. No work on Sundays or holidays except by City of Mukilteo exemption.

**Caution: Work zone closed to recreational users beginning June 2015**
